

Excursion Risk Assessment and Parent Authorisation – Regular Outing

Activity Name: _____

To be completed by Educator before any Regular Outing.

Family Day Care educators are required to conduct a thorough risk assessment before taking children on an excursion outside the service premises. This includes visiting the excursion venue and travel route in person to identify and evaluate any potential risks or hazards. It's essential to ensure the safety of the children under their care.

Regular outing: means a walk, drive or trip to and from a destination that the educator visits regularly as part of its educational program, and where the circumstances relevant to the risk assessment are substantially the same on each outing.
