

Dear Youth Parliament Alumnus,

As we welcome 2026, we want to take a moment to thank you for being part of the incredible legacy of Youth Parliament.

Your voice and leadership have helped shape a program that continues to empower young people across Western Australia.

We are reaching out because you have previously expressed interest in joining the Youth Parliament alumni program. We officially launched the program at the 30th Youth Parliament Event and would like to extend the invitation to you.

By signing up you are opting in to quarterly emails on upcoming events, and Youth Parliament specific updates. If you'd like to stay connected use the form below.

We would also like to share the recap video from the 30th Youth Parliament Celebrations held in December 2025. It was the first Alumni event, marking 30 years of Youth Parliament, celebrating the passion and commitment of our Youth Parliamentarians.

If you need any further information about the Alumni Program, please do not hesitate to reach out.

On a different note, we would also like to use this email as an opportunity to announce that applications for the 2026 Youth Parliament Program are now open. Though you may no longer be eligible to participate in the program, you may be surrounded by passionate young people. If you know anyone who would love the program as much as you did, please let them know who we are, what we do, and how they can apply. They can apply through the link below:

We would love to get the word out to as many young people as possible, so if you follow us on Facebook or Instagram, give our posts a little share over the next month 😊. Thank you as always for your dedication to and support of the Youth Parliament Program.

I look forward to walking alongside you to continue amplifying youth voices and building a stronger community of changemakers, together.

Warmest regards,

Youth Parliament Coordinator
