This program is funded by the Department for Social Services Communities for Children initiative, is facilitated by The Y and is offered in partnership fee free. This place-based initiative supports young people in years 4, 5 and 6, in partnership with schools/organisations within the City of Gosnells, City of Armadale, and the Shire of Serpentine Jarrahdale localities.

How is it delivered?

The Y's DRUMBEAT program is typically delivered to a group of ten participants each term. Partnership agreements are for two terms (i.e. we deliver two groups in your school/organisation per semester). The weekly program commences in week two of each term and concludes at the end of each term. During school holidays, we offer a single session DRUMBEAT/drumming activity with your organisation - suitable to compliment a holiday program or as a part of your existing program.
